**How can I make the most  
out of the course?**

# Tip #1: Time Management

- Components of Time Management:
  - Setting Goals
  - Prioritization
  - Scheduling
  - Managing Interruptions
  - Avoiding Procrastination

**Tip:** Use module time estimations in the curriculum to help with scheduling

# Tip #2: Develop Your Mentor Relationship

- Your 1st call
  - Background (& Your Mentor's)
  - Goals & Course Pace
- Give feedback on the calls
- Set weekly call topics 24 hours in advance
- Communicate Cancellations/Reschedules

# Tip #3: Engage in the Community

- Ask Questions & Email projects to the Community Manager & Course TA
- Share your knowledge with each other
  - Create online study groups
  - Direct message others
  - Post helpful resources
- Join Office Hours

# Tip #4: **Start the Career Units Early**

- Don't wait to complete them!
- Finish the unit before you schedule a call with a career coach on that topic
  - Schedule calls through the curriculum

# Get Ready: **What Happens Next?**

1. Start thinking about your first capstone project topic
2. Meet your mentor on Friday
  - You'll be sent an introduction email.
